\$ 5,000+ Sponsors

\$10,000+ Sponsors

\$20,000+ Sponsors

**Note: Sponsorships less than \$500 are appreciated, but not listed.*

Want to get involved?

Your financial support is most appreciated!

As an MPC sponsor at \$1,000+, you can...

- Host an intern
- List your job openings on the MPC website
- Hire a COE graduate
- Opportunity to serve on the MPC board
- Write a Feathered Pen article (rotating basis)

As an MPC sponsor at \$5,000+, you can...

- Be a guest speaker for a Wednesday Night Forum at COE (rotating basis)
- Send a company employee to a COE class (rotating basis)

Help educate the poultry leaders of tomorrow!

Midwest Poultry Consortium

The Midwest Poultry Consortium is organized to provide leadership, support, and resources for poultry education and research in member states.

COE Center of Excellence Scholarship/Internship Program

What is COE? There are no longer poultry science departments in MPC member states. Therefore, MPC industry members, along with university faculty and administrators, created a "Virtual Poultry Science Department" so students can earn poultry science credits.

The Goal... Enhance poultry science education in member states and ensure availability of qualified graduates for employment within the industry.

Scholarships... Up to 40 students a year are awarded scholarships, including housing and up to 18 credits (two six-week summer sessions). Courses complement many majors and credits are transferable to the students' home universities.

COE is unique... Students are guided through recruitment, education, internships, networking opportunities, and employment. The foremost faculty and industry experts provide a strong, research-based poultry science education, combining labs, interactive classroom lectures, and field trips.

Wednesday Night Forums... Students interact with industry leaders and learn about career opportunities.

Internships... Companies provide on-the-job training opportunities to students through paid internships.

2018 Virtual Poultry Science

SESSION I
Avian Physiology
Breeder Flock & Hatchery Mgmt
Poultry Products Technology

SESSION II
Avian Health
Poultry Nutrition
Poultry Enterprise Mgmt
