**\$20,000+ Sponsors**

*\*Note: Sponsorships less than \$500 are appreciated, but not listed.*

## Want to get involved?

*Your financial support is most appreciated!*

*As an MPC sponsor at \$1,000+, you can...*

- Host an intern
- List your job openings on the MPC website
- Hire a COE graduate
- Opportunity to serve on the MPC board
- Write a Feathered Pen article (rotating basis)

*As an MPC sponsor at \$5,000+, you can...*

- Be a guest speaker for a Wednesday Night Forum at COE (rotating basis)
- Send a company employee to a COE class (rotating basis)

*Help educate the poultry leaders of tomorrow!*

# Midwest Poultry Consortium

*The Midwest Poultry Consortium is organized to provide leadership, support, and resources for poultry education and research in member states.*

# COE Center of Excellence Scholarship/Internship Program

**What is COE?** There are no longer poultry science departments in MPC member states. Therefore, MPC industry members, along with university faculty and administrators, created a "Virtual Poultry Science Department" so students can earn poultry science credits.

**The Goal...** Enhance poultry science education in member states and ensure availability of qualified graduates for employment within the industry.

**Scholarships...** Up to 30 students a year are awarded scholarships, including housing and up to 18 credits (two six-week summer sessions). New this year, up to 10 partial scholarships will be awarded. Courses complement many majors and credits are transferable to the students' home universities.

**COE is unique...** Students are guided through recruitment, education, internships, networking opportunities, and employment. The foremost faculty and industry experts provide a strong, research-based poultry science education, combining labs, interactive classroom lectures, and field trips.

**Wednesday Night Forums...** Students interact with industry leaders and learn about career opportunities.

**Internships...** Companies provide on-the-job training opportunities to students through paid internships.

## 2017 Virtual Poultry Science

**SESSION I**  
Avian Physiology  
Breeder Flock & Hatchery Mgmt  
Poultry Products Technology

**SESSION II**  
Avian Health  
Poultry Nutrition  
Poultry Enterprise Mgmt
